

VidSail Installation Guide (Windows)

Official installation instructions for the **VidSail Video Downloader & MP3 Converter**.

Step 1: Download the Package

 Download the ZIP file from the official VidSail website:

 https://vidsail.com/downloads/vidsail/windows/vidsail_windows_package.zip

 The file name will be:
vidsail_windows_package.zip

Step 2: Extract the ZIP File

1. Right-click the downloaded ZIP file
2. Select “**Extract All...**”
3. Choose a folder and click **Extract**

 Example:

Step 3: Run the Installer

After extraction, open the folder and **double-click** the installer:

CopyEdit

VidSail_Setup.msi

If prompted by **Windows SmartScreen**, continue to the next step.

Windows SmartScreen: What to Do

SmartScreen may show a warning like this:

 Example:

To proceed:

1. Click **More info**
2. Click **Run anyway**

This happens because the app is new. It's safe to continue.

Step 4: Complete the Setup Wizard

- Click **Next** to begin installation
 - Choose install location (or leave default)
 - Click **Install**
 - Click **Finish** when done
-

◆ **Step 5: Open VidSail**

You can now launch VidSail from:

- The **Start Menu**, or
- The **Desktop shortcut** (if selected during install)

 Example Icon:

Safety Notice

VidSail is built by **SALNEX**, a trusted software provider.

The app will soon be code-signed to prevent future SmartScreen prompts.
